日本はいま密度にあります。
もはや字面を出し惜しみしている場合ではありません。とにかく浸潤を狙いて、場所も選ばず発表する。未完成でも不完全でも、逞ます手抜きず選んでんに見せる。
今やそれは浸潤を表現の手段として選んだ全ての者に課せられた、重大な使命なのです。

お手に取って頂きありがとうございます。
連載を始めてから何かと本を買う機会が増えまして、気付けばそこら辺に平積みにしてしまう様になりました。まだ床に直置してないものの、この調子だと数年もしたら足の踏み場もなくなりそうです。
早い所手を打たなければ。

There are three insects...
...on the verge of death here.
Well I guess that means...
...I can exterminate all of you together, hmm..?

Sasori.
I don't know what you've come here for, however...
We're in the middle of a very important conver-sation
Get the heli out.

W-

...Just now...
What the...

At any rate, judging by this chick's personality...
Explosives? Battering weapons?

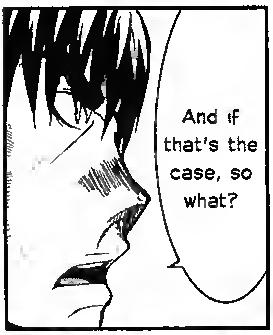
What should I do..?
I don't have the feeling I'll lose, however, I can't guarantee I'll kill her in one kick...
ゴ" ゴ"...
She must certainly...
...be hiding something up her sleeves.
You seriously think you can kill me?
Even if you could retaliate,
you'd probably cease protecting your injured comrades, wouldn't 'cha...

So, care to try me?
Boy trying to play hero.
Whaaat?
I just have something I wanna ask, that's all.
What is your motive?
Well say...

?

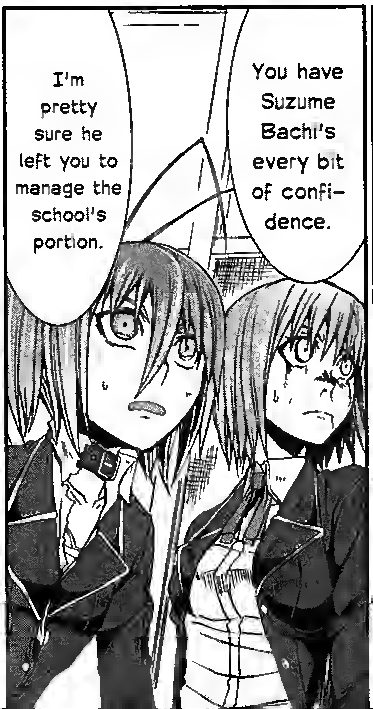
Why are you asking such a thing?
There's no way I would know.

...the boss' true identity?
Do you know...



And if that's the case, so what?

Well, this is what Suzume Bachi said.



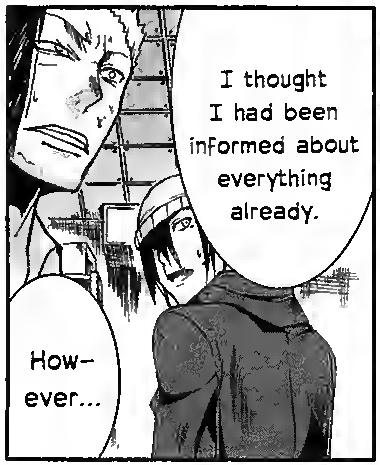
I'm pretty sure he left you to manage the school's portion.
You have Suzume Bachi's every bit of confidence.

I didn't suddenly turn stupid, you know.

...is inside this school.
The boss...
!?
It's said that Suzume Bachi's the only person who was told...

Why is that person...
...inside of this school...
...boss of The Organi-zation.
...about the unknown...

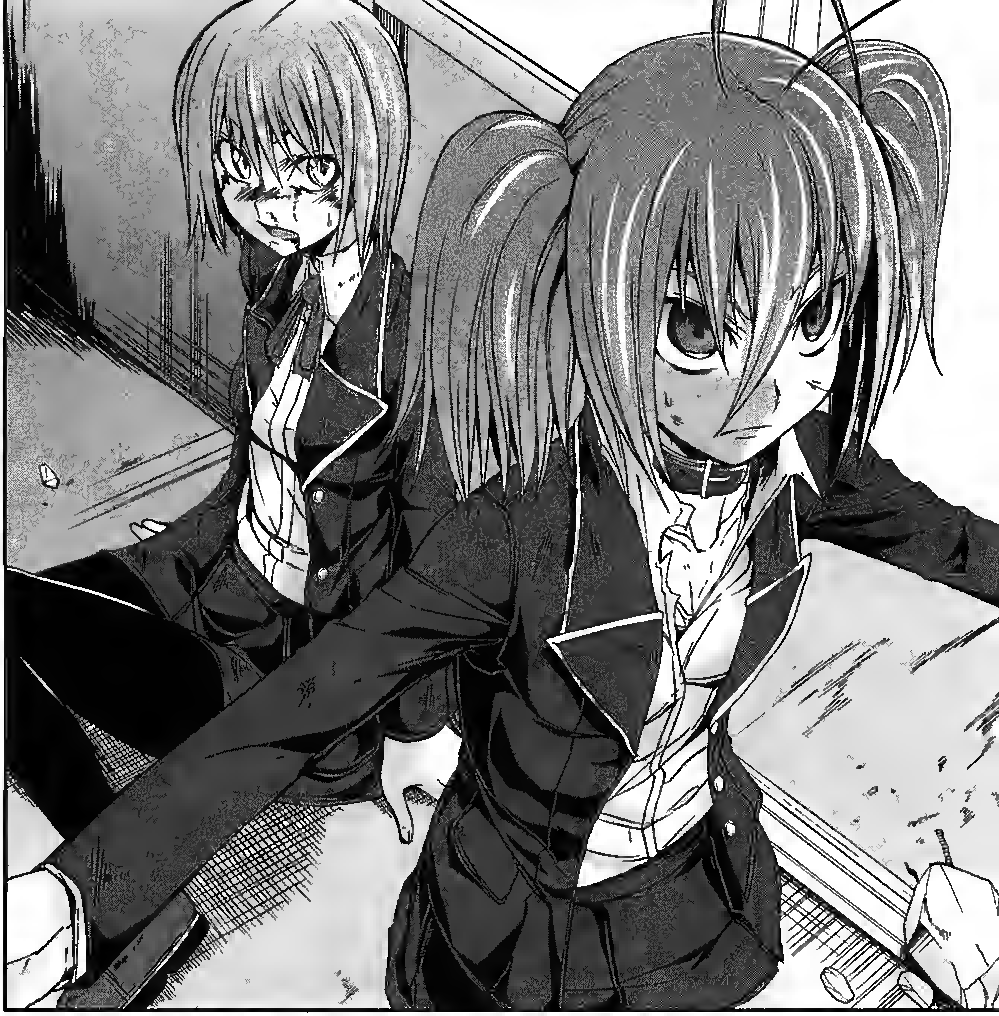
Even if it was about Kumo or The Organi-zation...

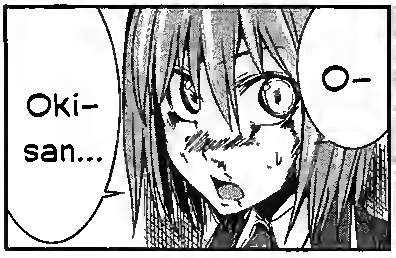


I thought I had been informed about everything already.
How-ever...

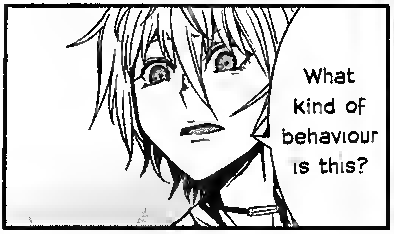
Why the hell...
...does it seem like I had the wrong idea?!

So you really don't know anything, huh.
Hmmmph
.....
But since I've waited so long for this,
Well, I guess asking you was pointless then.
I think I'll kill one of ya before going back.





O-
Oki-san...



What kind of behaviour is this?

Well I won't let'cha.

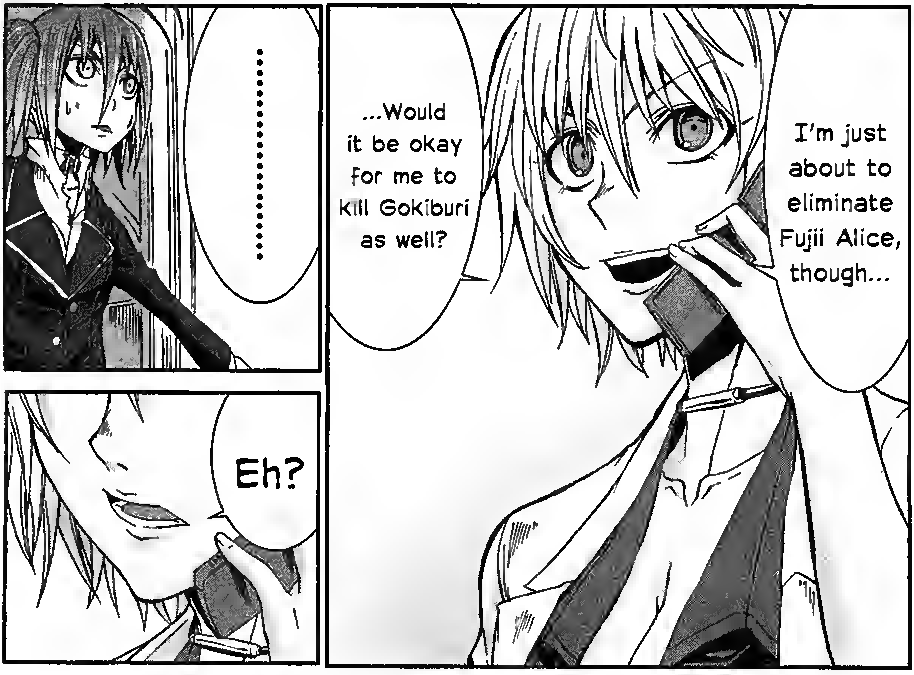
Suzume Bachi.
Well, that's just perfect
!

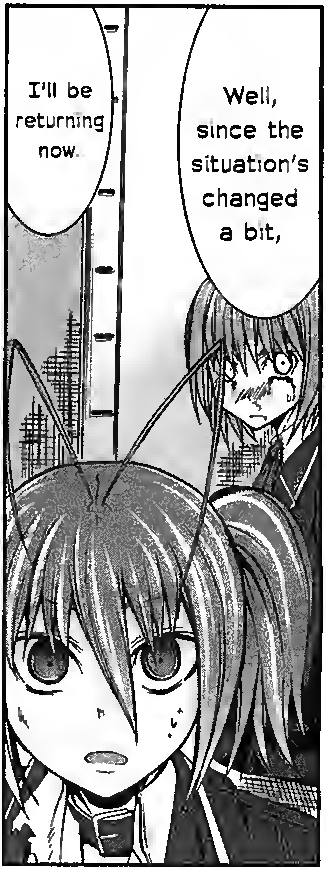


.....
Eh?
...Would it be okay for me to kill Gokiburi as well?
I'm just about to eliminate Fujii Alice, though...

Huh?
Okay, then why...
It's better to just end it at that?
No, but... They're in front of me right now, so...
?
Ah, I see
If that's true...
.....

パチン
...Then that is a compromise I didn't even wish for.

Oh, and that life of yours...
Byeee, Alice-chan!!

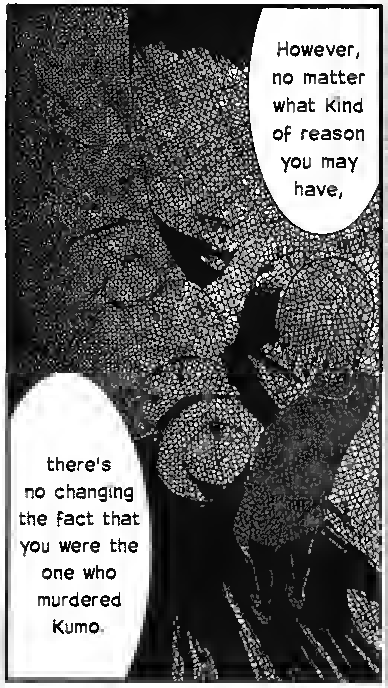


I'll be returning now.
Well, since the situation's changed a bit,

Byeee!!!
...I'll leave it in your hands for another week!

W-What was all that...
...just now...
.....
I don't really get it, but...
...I'm worried about Tajima-san.
For now, let's go back to class.
We totally forgot about it.
Here, lend me your hand...
Fujii Alice.

Until I get to the bottom of this,
I'll leave your life in your hands for now.



However, no matter what kind of reason you may have,
there's no changing the fact that you were the one who murdered Kumo.

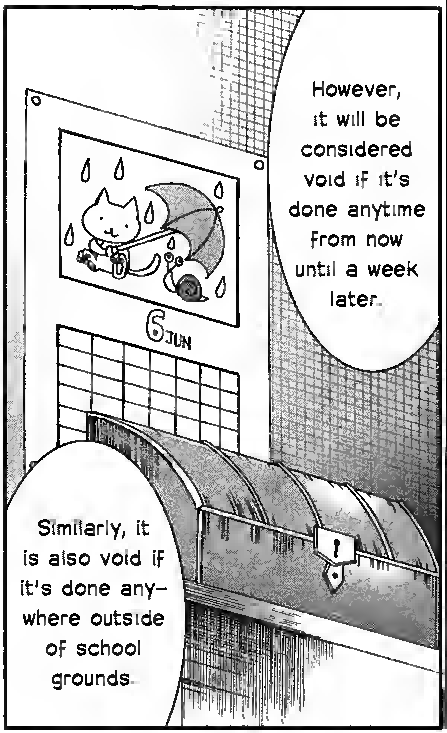
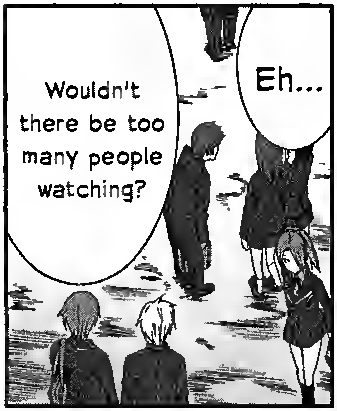
Suzume Bachi.
Looks like you told her,
..if you can wipe out this Fujii Alice, who killed our comrades.
Yeah, that's right...
Of course there will be a bonus...
So with Kumo and Kamakiri's portion...
The amount of money is equal to the number killed, multiplied by a hundred million.

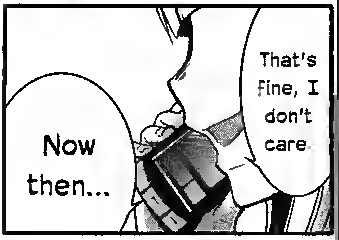


However, it will be considered void if it's done anytime from now until a week later.
6 JUN
Similarly, it is also void if it's done anywhere outside of school grounds.

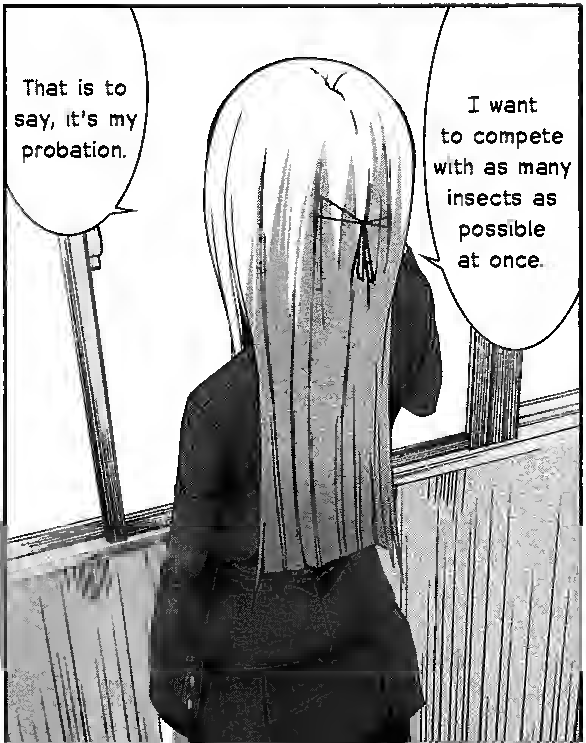
That's what it amounts to now.
...Two hundred million.



Eh...
Wouldn't there be too many people watching?



That's fine, I don't care.
Now then...



That is to say, it's my probation.
I want to compete with as many insects as possible at once.

...In this school event...
...Wouldn't there be a large increase of species in the gallery?
